Senior Class Of 1986

Look How Far We've Come

Cubicles have faded away.

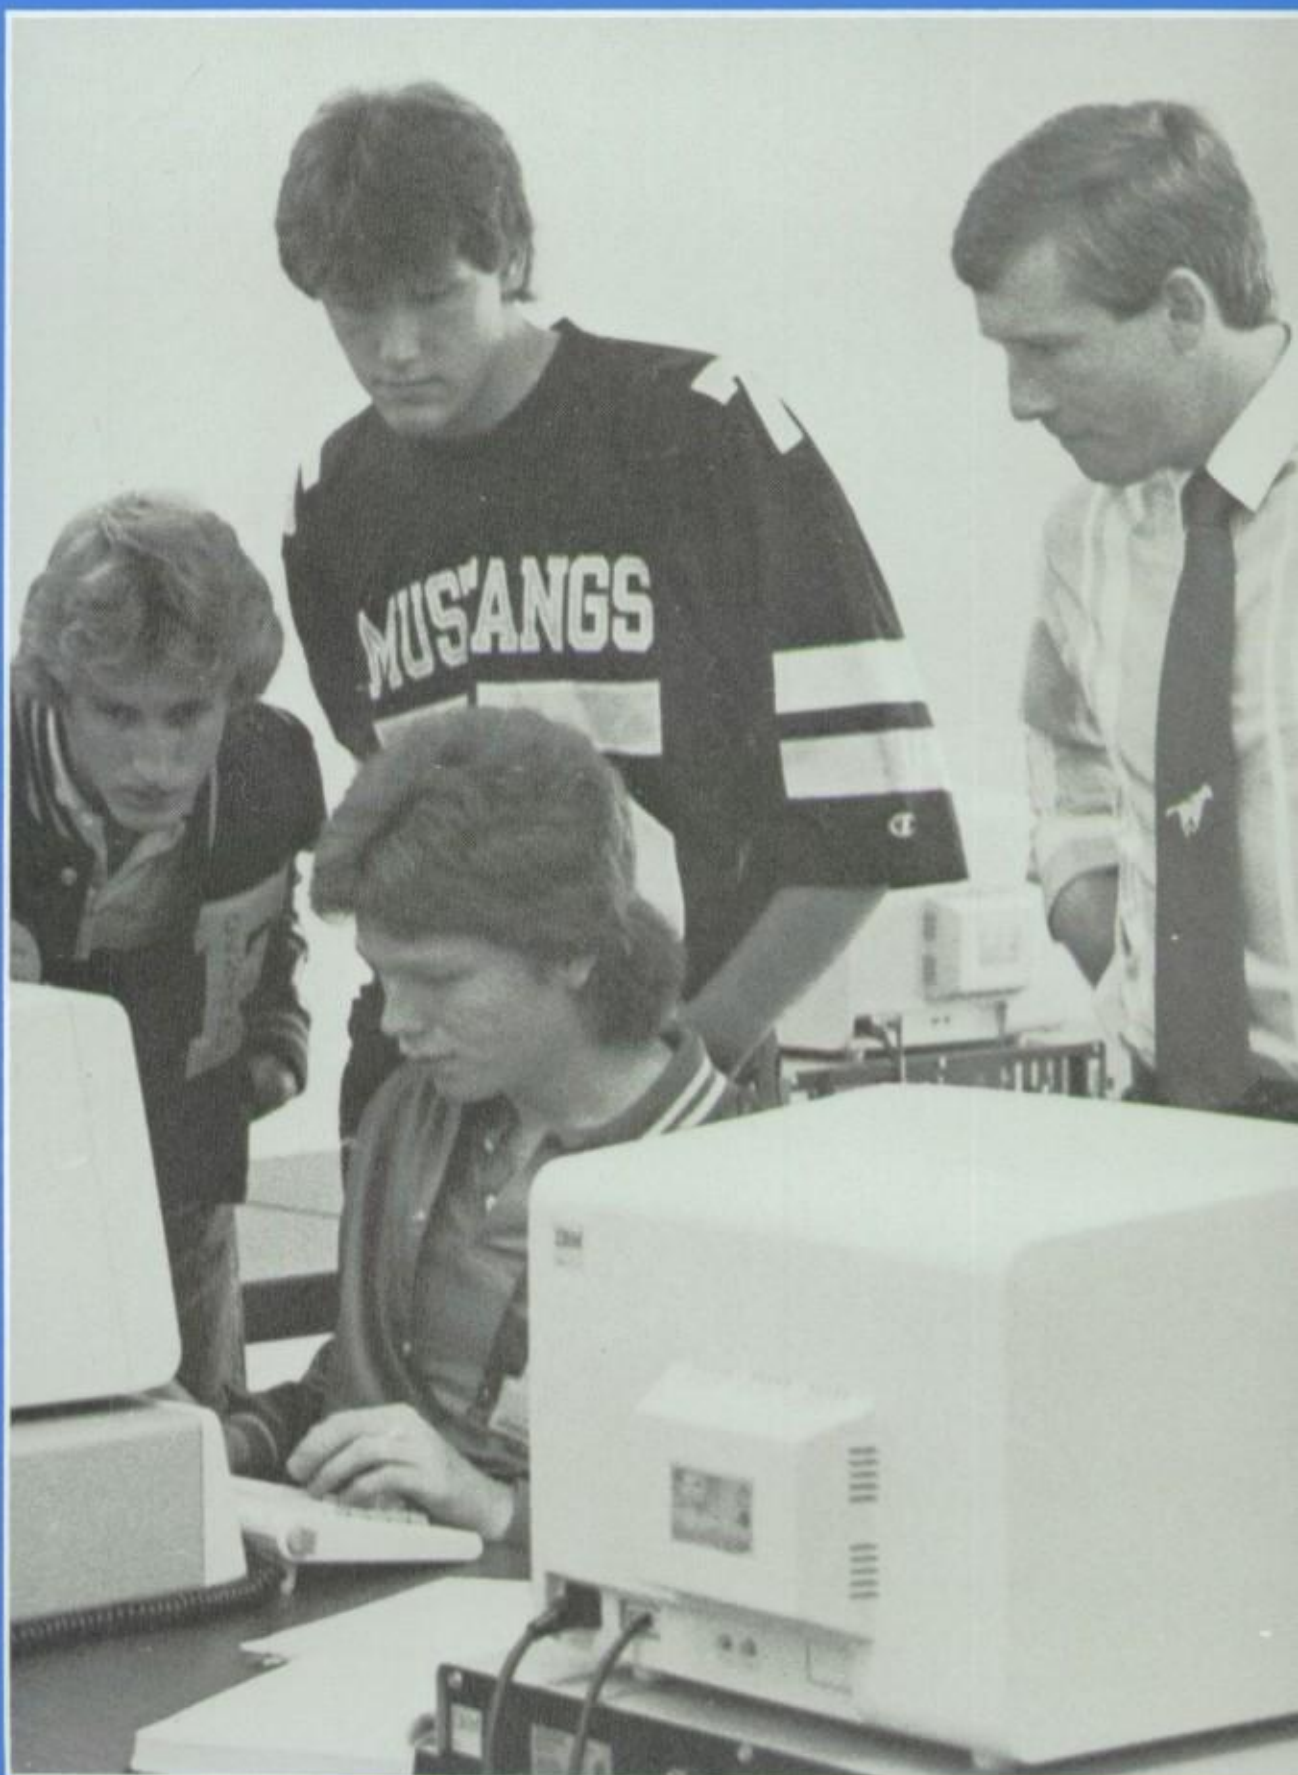

Computers are new and exciting at F.C.

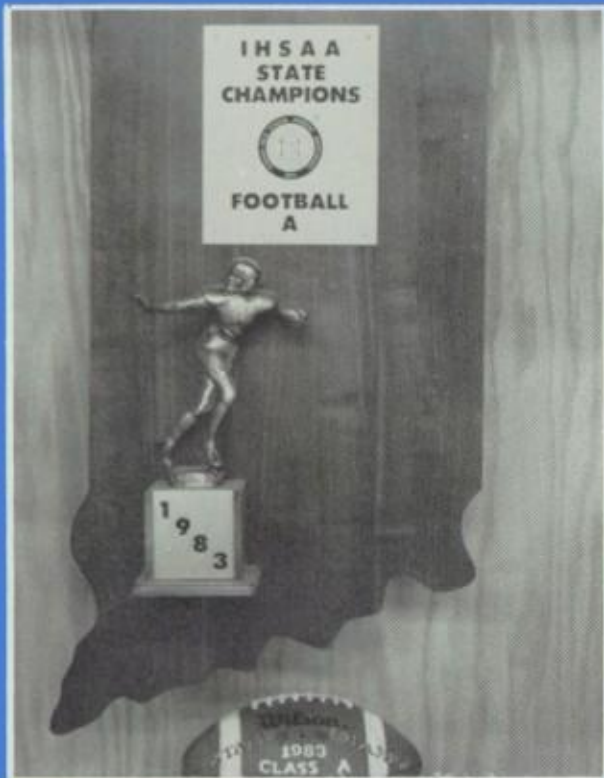

Throughout the past twenty years, Fountain Central has seen many changes. We have grown in academics as well as sports. Our curriculum has evolved to meet the demands of the eighties. Computers can now be found in the classrooms, the offices and in the journalism room. Audio visual equipment is standard equipment today that was only dreamed about twenty years ago. More classes are offered today and more opportunities abound.

Our athletic teams have brought us pride and success. In 1983 our football team won the state championship and in our gym hang the banners from all our other victories. Our girls' teams have brought us pride also. Twenty years ago girls did not have any varsity teams.

Freshman Marty Brown shows that the band's hard work paid off.

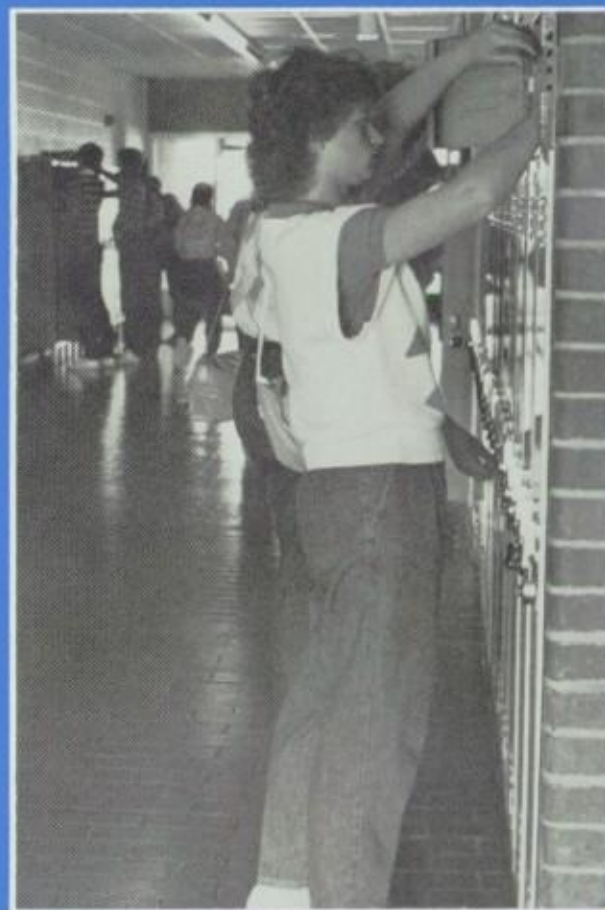

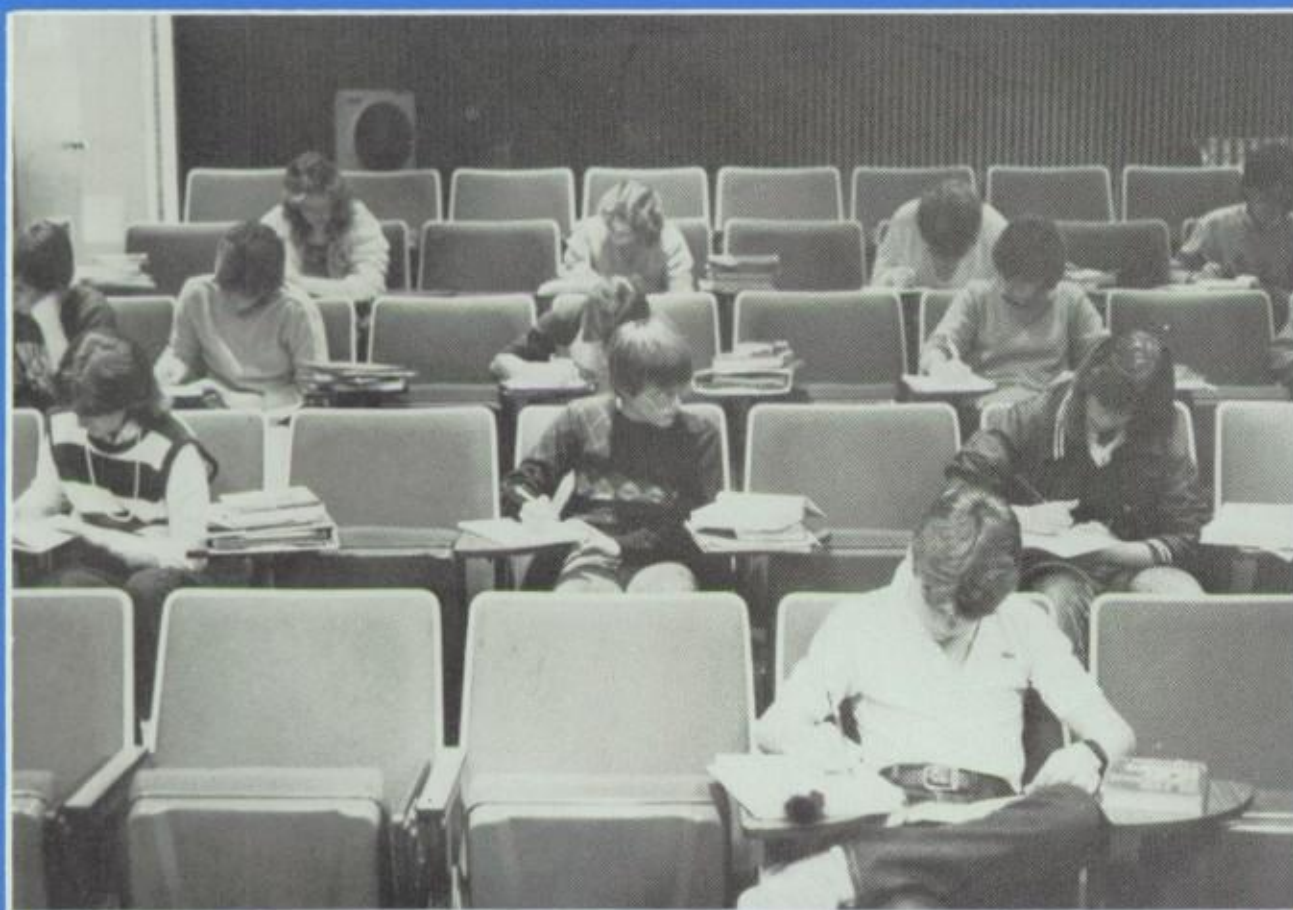

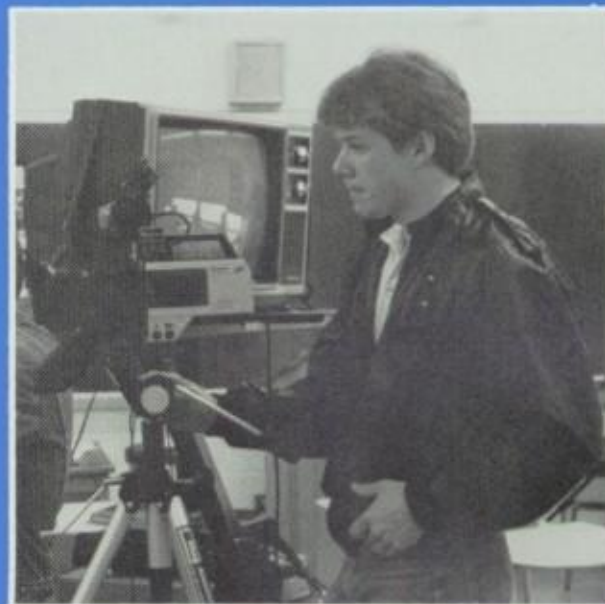

Fountain Central is #1!

Ann Nehrig and Jennifer Massey are producing a T.V. commercial.

Senior Paul Furr works with the audio visual equipment.

Mrs. Faris' room has been newly renovated.

Senior Sirena Zachery is glad that she is allowed to wear jeans.

F.C. mascot spreads spirit.

The F.C. pool and girl's sports show how Fountain Central has changed through the years.

Some Things Never Change

Time has brought many changes to our F.C., but some things time can never change. Academics still come first here, but like all normal students we still enjoy laughing and clowning when the moment is right.

During pep sessions we still appreciate it when teachers let us know they are really human. We will still cheer loud and clear for our team, because in our hearts they are always number one.

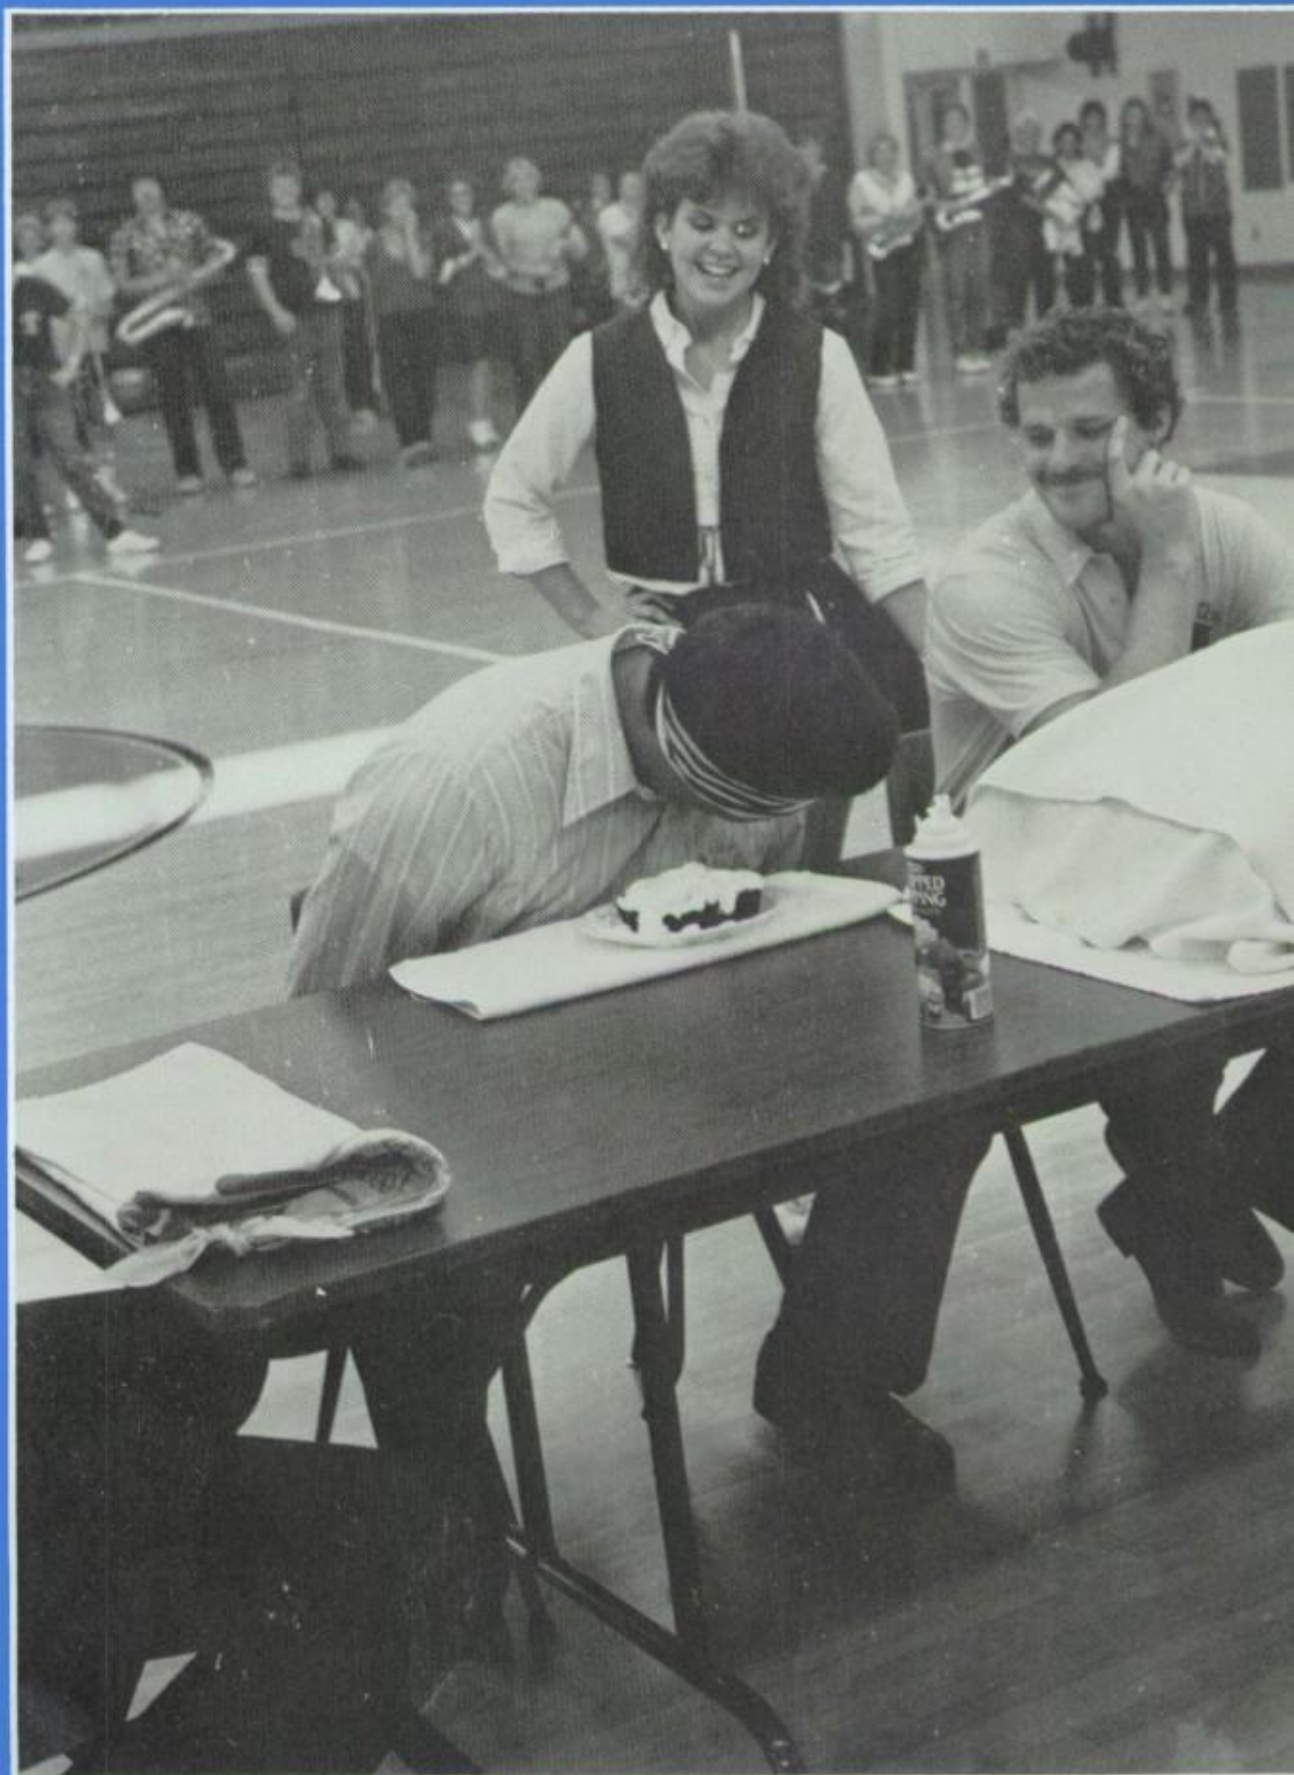

Accomplishments are still a goal of students at Fountain Central. The students and their accomplishments are honored many ways including on Senior Parent Night and when receiving awards.

During the day we spend time time on our homework, trying to further our education. We also spend a great deal of time acting crazy, getting involved, and having fun.

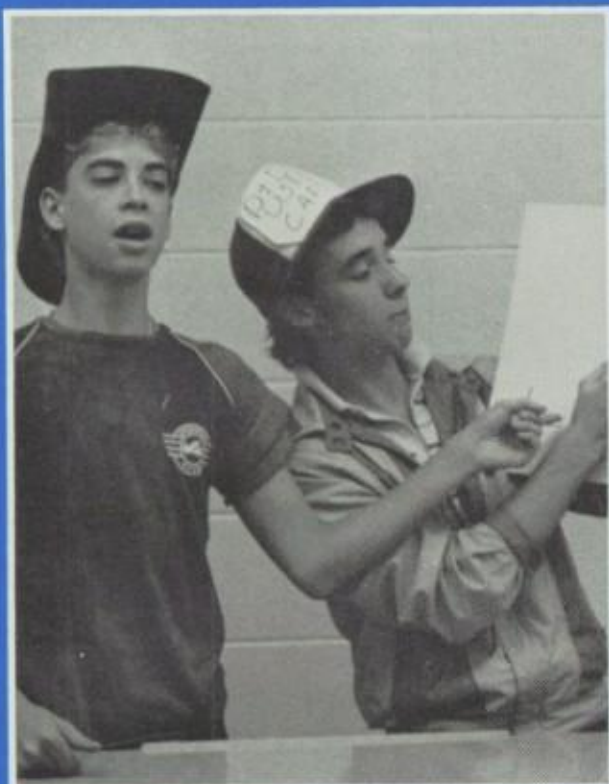

Having fun and rooting on our favorite team have always been what Fountain Central ballgames are all about.

Coach Stewart never ceases to eat.

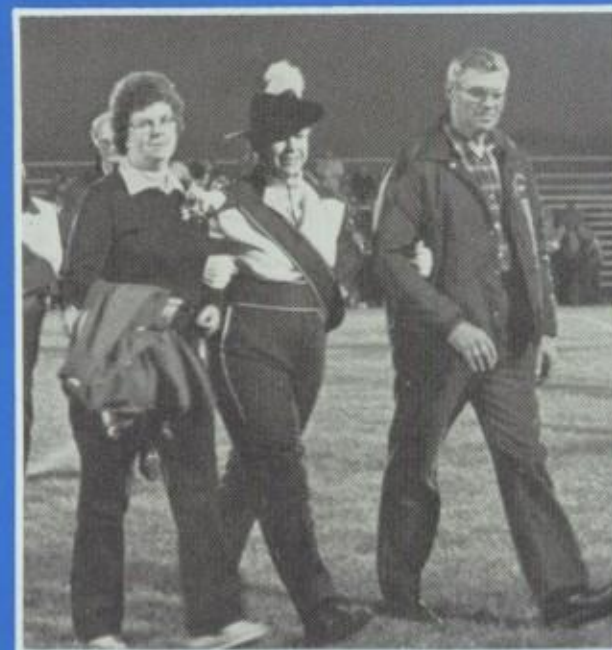

Spirit still shines through at F.C.

Lindley and McCune show humor is still appreciated.

The F.C. band — still competing and still winning awards.

Terry Runion realizes students still have to study.

Mrs. Faris grades her stack of never-ending homework papers.

Susan Majors and proud parents show our pride in the band lives on.

The smile on R. Brimbury's mom's face says it all.

Homecoming Festivities

During the week the homecoming queen candidates were chosen by the football team. On Thursday night we had our powder puff football game and our bonfire. The freshman girls played the sophomores and the juniors played the seniors. Then at the bonfire our band played and Coach Landis got everyone fired up about the ballgame with his words of wisdom.

On homecoming night our football team beat the North Vermillion Falcons 47-7. Darcy Marlatt was crowned homecoming queen and the seniors' float "Shipwreck the Falcons" won first place. After the game, the juniors sponsored the homecoming dance in Hawaiian style where we danced the night away.

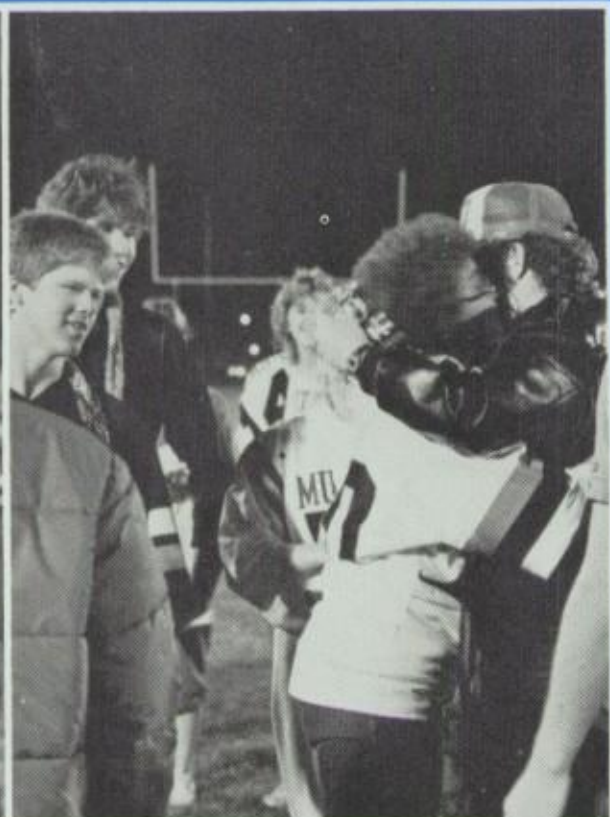

Competition can be friendly.

Jennifer Massey, Ann Nehrig, Staci Mitchell and Laura Whittle dress up for clash day during homecoming week.

Pride

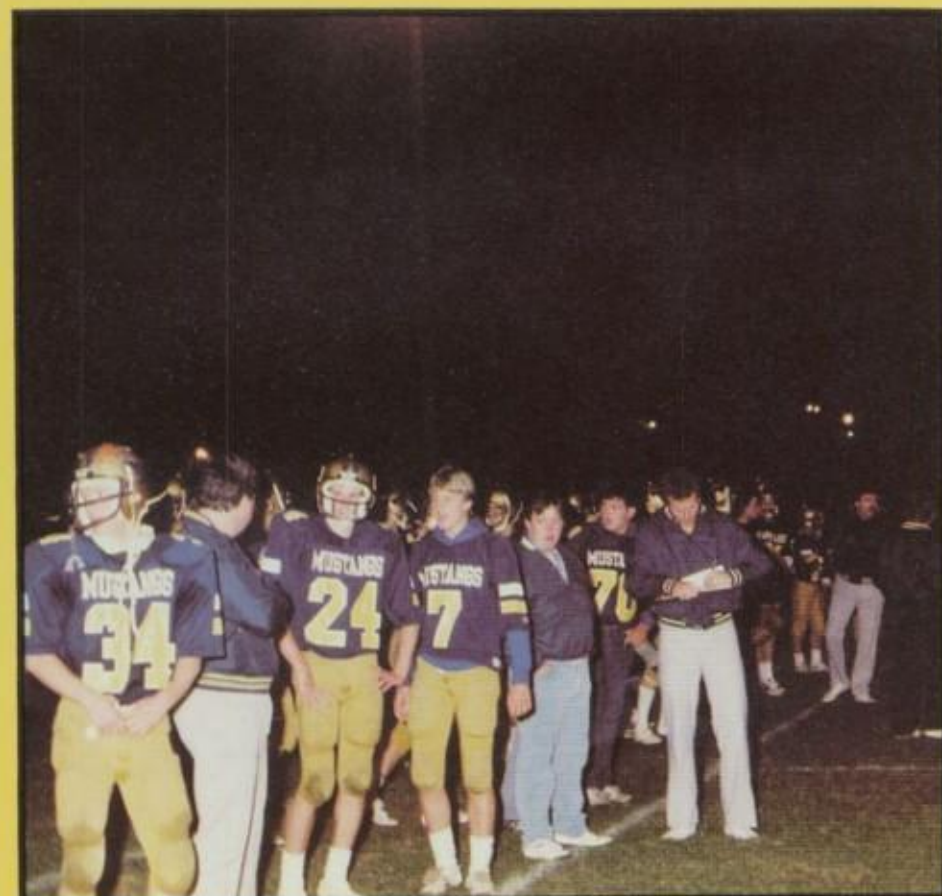

The Royal Mustang Brigade is ready to perform.

The band marches off the field after a fine performance.

As your graduation approaches, we thank God for the fine young man you have become. Our little "Charlie Brown" has met many challenges in the past 18 years with much courage and determination. We've stood by you as you gave 100% so you could excel in whatever you chose to do, although sometimes stitches, broken bones, or surgery curtailed the activity before you wanted it! You always wanted to do everything by yourself and we could only give you our love and encouragement. We want you to know that even though you are entering the adult world, we will still be there to love, encourage or stand by you. We are very proud of you and wish only the best for you!!!

The Fountain Central Senior Class of 1986 is indeed special. When we first met we were children and through our years at F.C. we became mature, young adults. We lived our lives the way we thought we should, sometimes making mistakes but always learning from them. We set our sights high on our goals, not giving up until we achieved them.

As classes before us graduated, we sometimes wondered if we would ever be seniors. But as we became more involved in our school, we suddenly realized our senior year had come. This was our year. Our year to enjoy, to laugh, to have fun, and to succeed.

On June 1, 1986, our lives will change forever. Our days at F.C. will be in the past and we will focus our attention on the future. We all will go our own way, working hard to make our dreams come true. Graduation day will be the end of one phase of our lives and the beginning of another. And so, the Fountain Central Senior Class of 1986, with all our precious memories of our friends and of the place we know so well, will say our last goodbye.

Teaching Takes Dedication

Since 1966 when Fountain Central was built, there have been five teachers who have been here since the beginning of our school.

These teachers are Richard Rodgers and John Donvoan of the industrial arts department, Tom Johnson and Ron Colson of the Science Department and Betty Majors of the Business Department. Also, Barbara Clark, school secretary, has been here the last twenty years.

These people have spent a great deal of hard work and long hours for our school. They show a special dedication to their work and to the students they spend so much of their time around.

Dear Santa . . .

The National Honor Society and Student Council are made up of select students ranging from freshman up to seniors. To become a member of the National Honor Society a student must maintain a B average and have good leadership qualities. This year the members of the NHS sold M & M's to raise money for a group activity. The 1986 induction was held on April 21. There were twenty new students who were inducted at the ceremony. The current officers led the ceremony and the new inductees recited the Honor Society pledge. The members of the Student Council play an active role in the school curriculum. They are in charge of all Homecoming activities. They are also responsible for decorating the Christmas tree and for bringing Santa to F.C. each Christmas. Each of these students work hard to make this school a more exciting place.

Santa's a lucky guy; so many girls want to have their picture taken with him! Above: R. Rodgers and S. Newnum. Left: J. Summers, M. Hatch, S. Myers, J. Turner and J. Massey.

Clubs Offer Involvement

Clubs have always been an important part of student life, but because of changes in the school day we no longer have as many clubs as we once did.

The ones that remain are the ones that have always been popular. Also, they are the clubs that enrich the lives of the students in ways that go beyond our regular curriculum. These clubs all have one thing in common; they are headed by dedicated teachers who realize teaching does not stop at 3:27.

Spanish Club

Spanish remains a popular subject in the curriculum. The Spanish Club sponsored by Sandy Kashmer has a strong enrollment. As a money making project this year the club showed their school spirit by selling Fountain Central Mugs. Then as a special spring project the club took a trip to Lafayette to have an authentic Spanish meal at Chi Chi's.

SUNSHINE SOCIETY

The Sunshine Society has always been a popular club at Fountain Central. Since it is a service organization many people reap the benefits of its work. On Valentines Day the club sponsored a Sweet-heart Dance that was a popular success with the student body. Also, during the Christmas season they had special drawings and gave away many prizes that the students enjoyed.

ART CLUB

The Art Club has participated in many activities. It has made Christmas ornaments, collage candles, crayon transfer pillows, and license plates. They have also used tin punch to make designs in metal. They painted on muslin and put pictures in hoops to make their own canvas. Club members are hoping to work with a mural design next year.

The Band Played On

The 1985 Royal Mustang Brigade carried a fine season into the concert hall. The Brigade, who received a Division I at Regionals for the first time, dove into the symphonic band music and worked very hard to bring a Division II home from contest.

The band performed two spring concerts; at one of which Mr. Bruce Lauffer, Associate Director of Bands at Indiana State University, was guest conductor.

The band worked very hard since the start of band camp.

They have learned that to be more competitive in marching band they must be able to play more difficult music in the concert hall.

The band had the largest number in the history of the school attend District Solo and Ensemble Contest in Terre Haute.

The marching band and symphonic bands are once again carrying the tradition of being State Competitors.

Artie Zachary dreams of winning the contest.

Jazz Up The Band

The Fountain Central Music Department was enlivened with the addition of the Jazz Ensemble to the curriculum. The Ensemble performed at every concert following the Symphonic Band. In addition to the concerts, the Ensemble also performed at the Beef House twice. They also received a Division II good rating at a Jazz Ensemble contest at DePauw University.

Under the direction of Mr. Francis E. Vile Jr., the Jazz Ensemble was reorganized after a

five year's absence. The organization was new to all of the students involved. This meant the students had to learn all new techniques of playing.

The group, comprising of five saxophones, four trombones, five trumpets and a rhythm section, introduced new forms of music from laid-back blues to pop-rock hits to jazz.

The group worked extremely hard to make the program a success.

Twenty years ago the band officers were: Mike Harshbarger, Jerry Harshbarger and Dena Sims.

We Take The Stage

The performing arts are alive and well at Fountain Central. Under the direction of Mrs. Teresa Ross the choral and drama departments are busy throughout the year. The first production of the drama department was a two act play entitled, *Rehearsal For Murder*.

The choral music department performs at several programs during the school year. Fountain Central has a total of four different choral groups, which manage to stay quite busy.

Fountain Central's reputation for bringing home wins in sports is well acknowledged. This school year, Fountain Central's reputation for academics came out into the open.

Mrs. McMahan and her winning spelling team journeyed to Center Grove Middle School to show their talent. They worked hard and extensively for weeks to prepare themselves. As athletes condition their bodies by exercising, our spellers conditioned their minds by studying and practicing. The spelling team members practiced and "spelled" their hearts out beyond school hours. Just as people have to be devoted to excel in sports, our spellers had to be devoted to excel at the spelling competition.

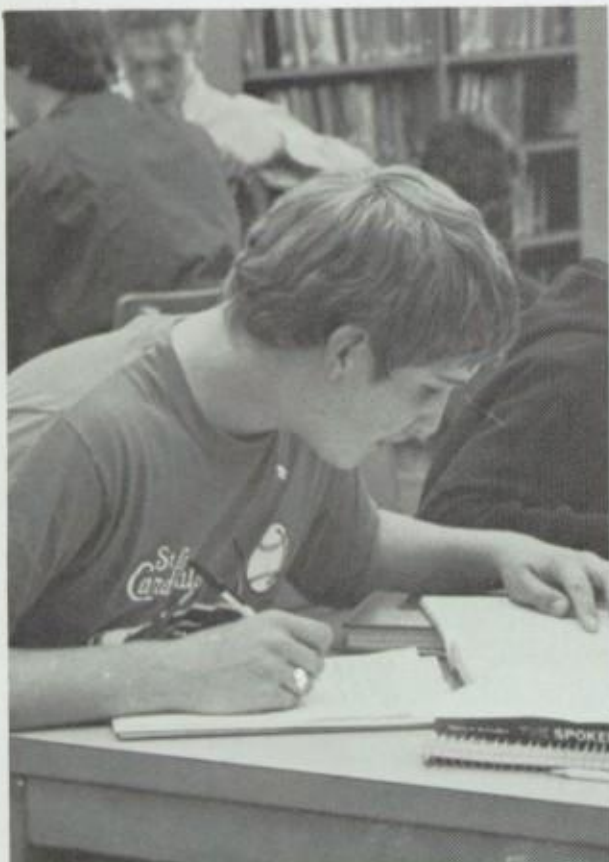

Fountain Central is not new to the idea of being state champions. Our 1983 football team brought home our first state championship, and our spelling team brought home another

state championship.

Fountain Central's junior high team was the first state spelling champions. Not only is this a honor, but an achievement.

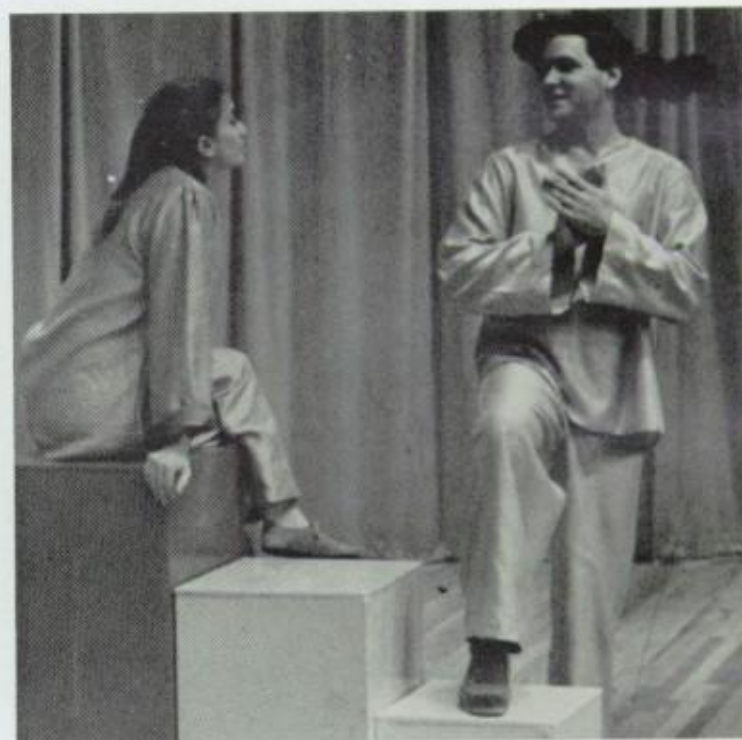

The high school spelling team made Fountain Central's pride soar also. They brought home a second place finish. It was an extremely close competition. Fountain Central was tied with Corydon for the first place plaque. Vaccinate, bisquit, ignorance, syncopation, and oxidation were the tie breakers which made the Fountain Central High School team become runner-up.

A convocation for all the outstanding spellers was held in the gymnasium to acknowledge the spellers. Certificates of achievement were given to each individual, and two new plaques were added to the state championship trophy case.

Shakespeare Lives On

"Romeo, Romeo, where for art thou Romeo?" The answer to that question is, here at Fountain Central entertaining and educating the modern day English students.

The members of the traveling troupe brought alive the words of Shakespeare as they presented a variety of scenes from the more popular works. Students found that a convocation they didn't think they would enjoy, was really a hit.

Above: B. Verhey, G. Wann and T. Ward spend time in library researching their speeches.

Science Poses The Question

The activities of the FC Science Department range anywhere from spending a day in the woods collecting flowers to making a volcano in a chemistry class. Whether trying to reconstruct the entrails of a frog after dissection or discussing the theory of relativity there is always an exciting time to be found here.

Students taking classes in this department will be able to impress everyone with the vast amounts of knowledge they obtain here. This knowledge may someday help find a cure for a deadly disease.

Match The Action To The Word

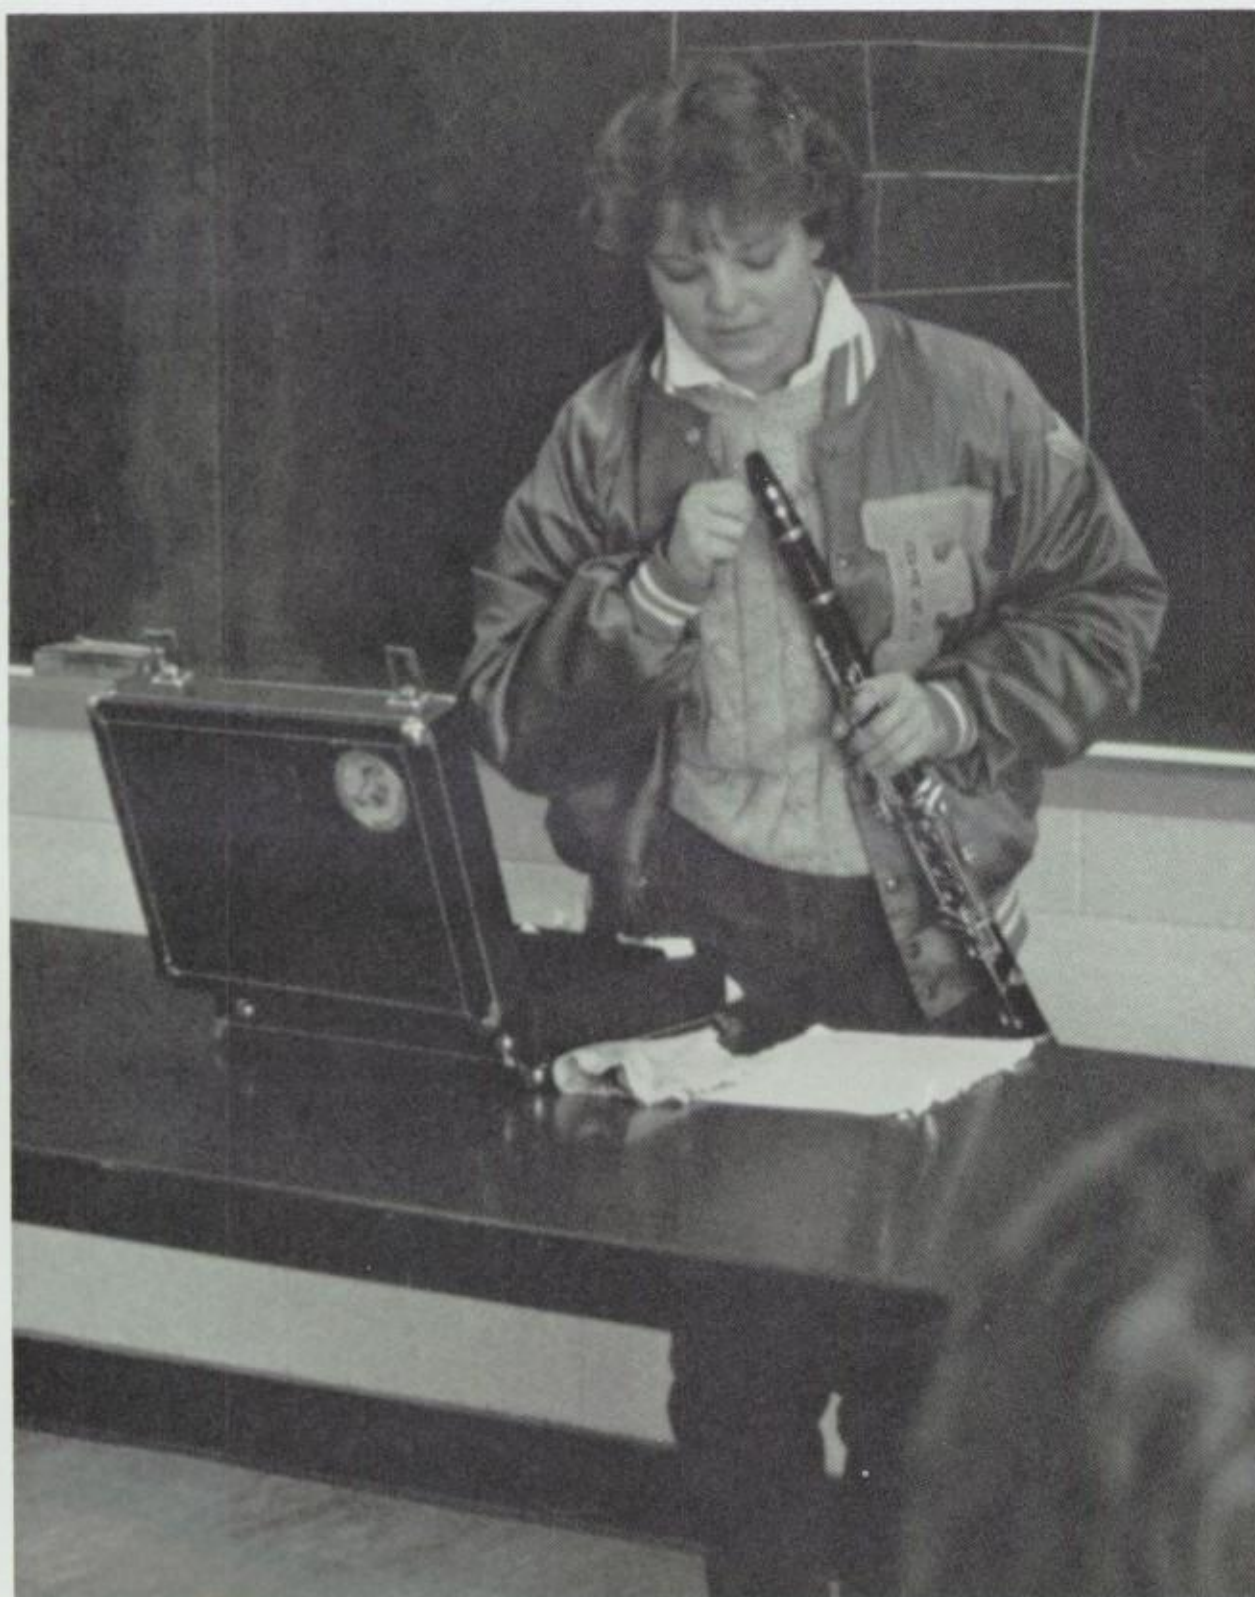

When students find out that they have a required speech class their sophomore year they don't know what to expect. They soon find themselves in front of the class doing things they never thought they could do. Students can learn much from the various topics in the informative speech. They learn about starvation in other countries, crime rates, sports and other facts and figures.

Then the cameras start rolling; students find out what it's like to be on television. They get a chance to make their own commercial, to share their talents with everyone, that otherwise would stay inside.

Measure, By Measure, We Learn And Create

Some classes require different types of skills. Following patterns, following recipes, following plans, and just following instructions in general takes a certain type of skill. From printing class to foods class students learn that there is more to school than math formulas and spelling tests.

During the past twenty years departments have made way for modern technology. Microwaves, which were once the dream of the wealthy have now found their place in our home economics room along with many popular recipes that no one even thought about in 1966.

Art Is Creating

I see a picture in my mind and my goal is to share that picture with the world, that is a feeling so common to the artistically talented. Fountain Central offers creative opportunities for students as well as academic and vocational opportunities. In art classes students find they can express the creative aspect of their nature in so many different ways. People who are creative and who possess a visual mind are much needed in society. They enrich the lives of so many of us and keep the world from being a dull and uninteresting place. With their eyes we can view situations from different perspectives. The artist brings color, line and texture to the environment we live in.

Let's Participate

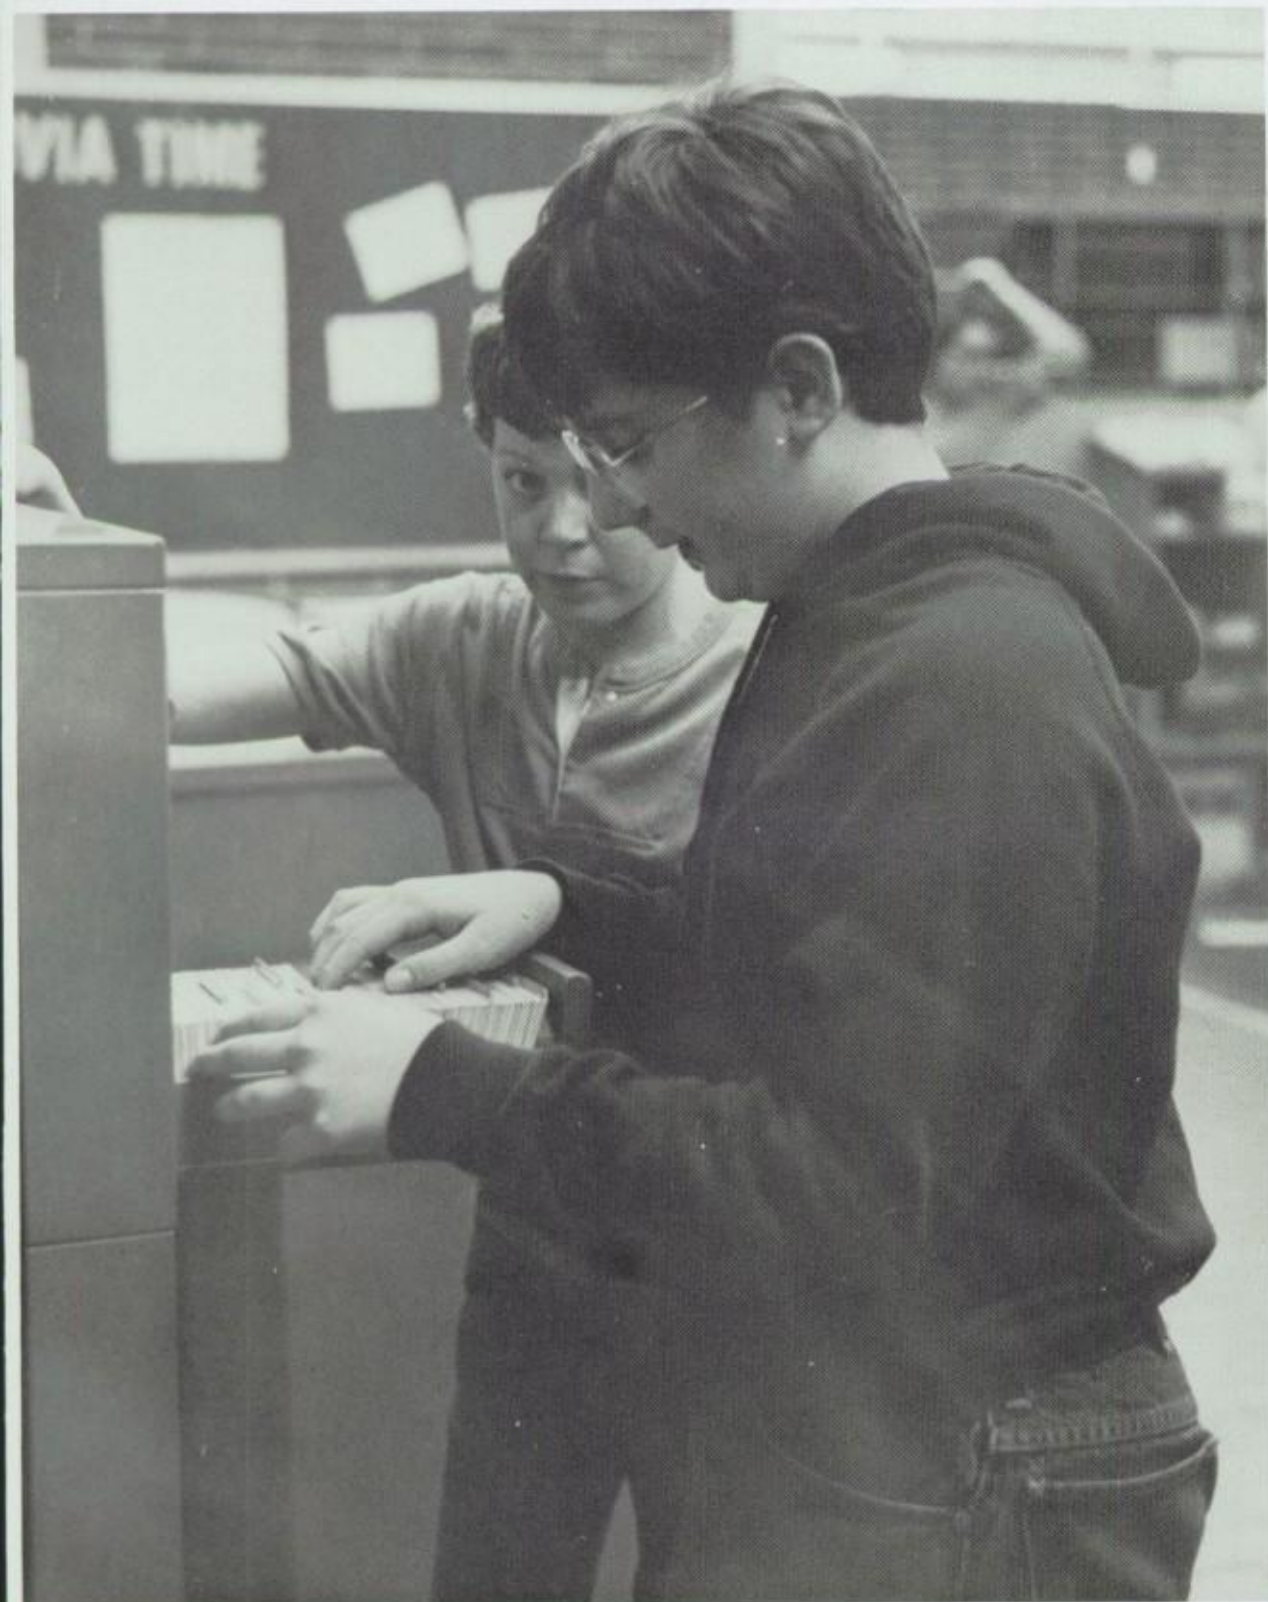

Students learn by getting involved and by experiencing the world they live in. They have to ask questions and by discovering the answers to these questions they widen their personal horizons. In psychology class students experience the world in ways that are foreign to them. One such project students do is to experience what life would be like if they were blind. They learn that their perceptions of reality would be far different from what they are now.

Many classes utilize the library and all its resources. Students learn early in their study skills classes the wealth of information the media center, as it is called now, has to offer. Teachers realize that information that students discover on their own is often long remembered. Also, teachers realize that students need to interact with others and share their ideas. By sharing our own knowledge we expose ourselves to the ideas of others so that learning becomes an ever expanding process.

Problem Solving Requires Action

The best thing to do with a problem is to solve it. Problems have to be solved in everyday life and school prepares us for life by setting up many problem solving situations. Many times before we can find the answer we have to do some research and then we have to analyze the information we have found until we figure out how all the pieces fit together. Sometimes we find the answers to the questions by ourself, but sometimes we find it effective to work with others. When we do this we learn that we have to interact with other people and by doing this we expand our own horizons. We discover that learning is more than memorizing and education is more than putting in time.

Lindley Sets Three Records

The 1986 Boys' Swim Team began the season inexperienced and unsure of its capabilities. Eleven of thirteen of the squad were underclassmen and had never swum competitively.

Leadership came from captains Bryan Thomas and Ryan Lindley, Thomas being the only senior on the roster.

Coaches Taylor and Kirby were pleased with this young team finishing 4 and 11. The boys gained valuable experience, placing second in the Bi-County and fourth in the Conference.

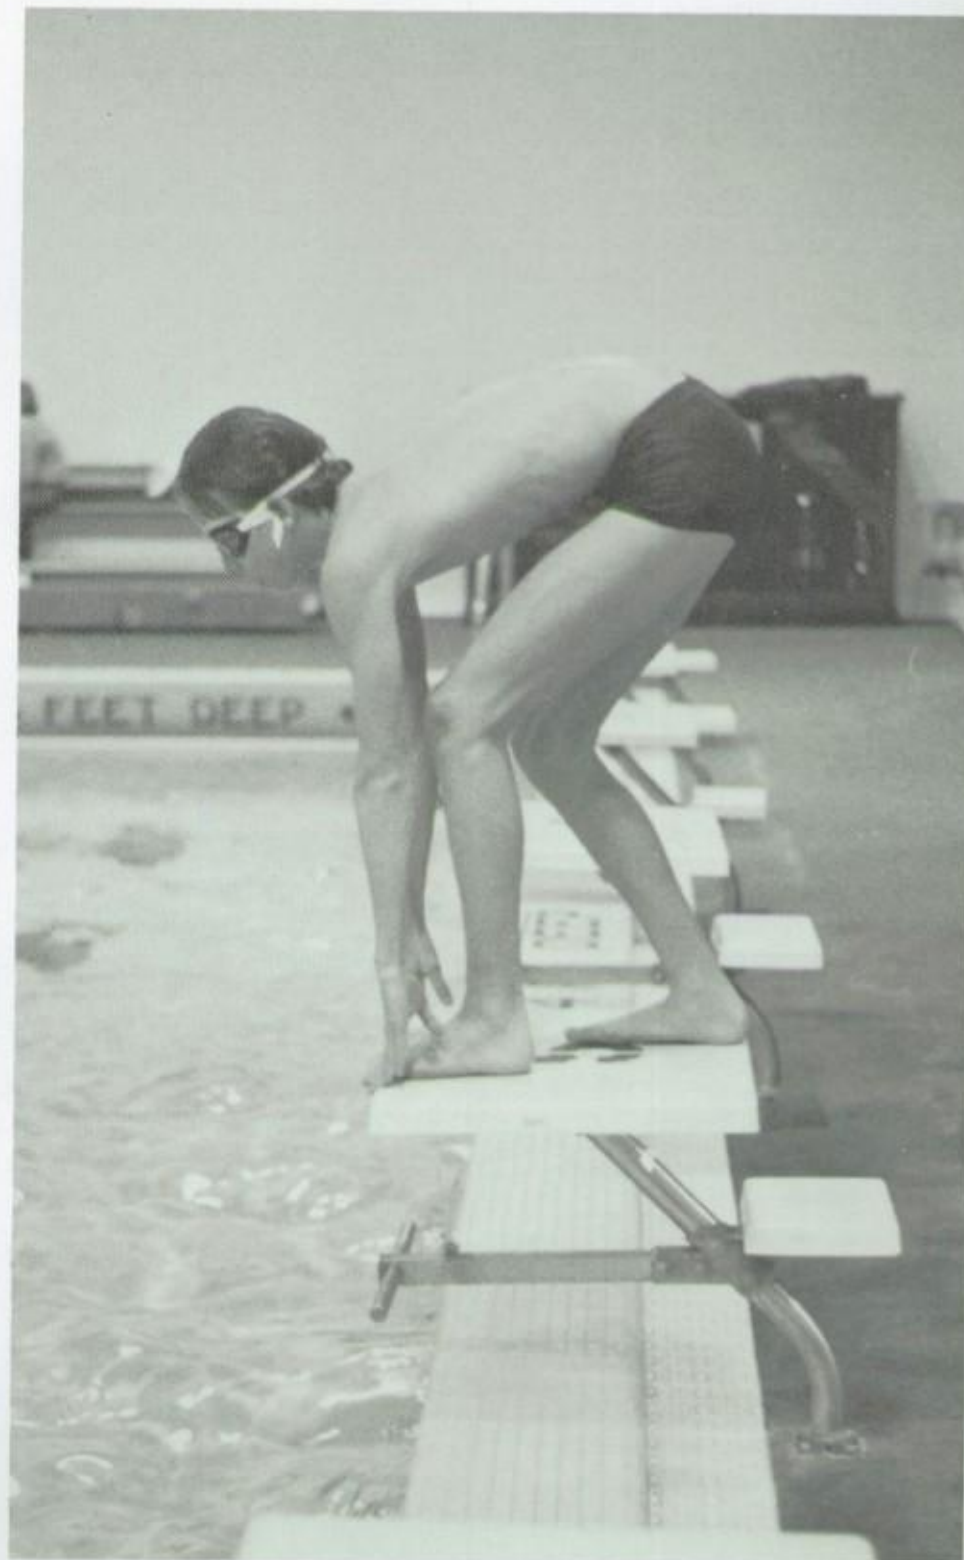

All Bi-County honors went to Scott Keller for diving and Ryan Lindley for the 200 and 500 freestyle. Lindley, also, broke three school records on his way to being named to the All-Conference team.

When Fountain Central opened in the fall of 1966 swimming was not offered as a sport, but in the years since the pool was completed students of all ages have had the opportunity to learn to swim and to swim competitively.

Students can become part of the swim team as early as sixth grade. This year's junior high team compiled an impressive record of 9 wins, no losses, and one tie. F.C. looks forward to some terrific seasons.

Sheldon Leads Team

Wrestling has come a long way here at Fountain Central. Although it wasn't a sport twenty years ago, like so many of our other sports, it has developed a winning tradition. Starting in 1974, the Fountain Central grapplers have made us proud.

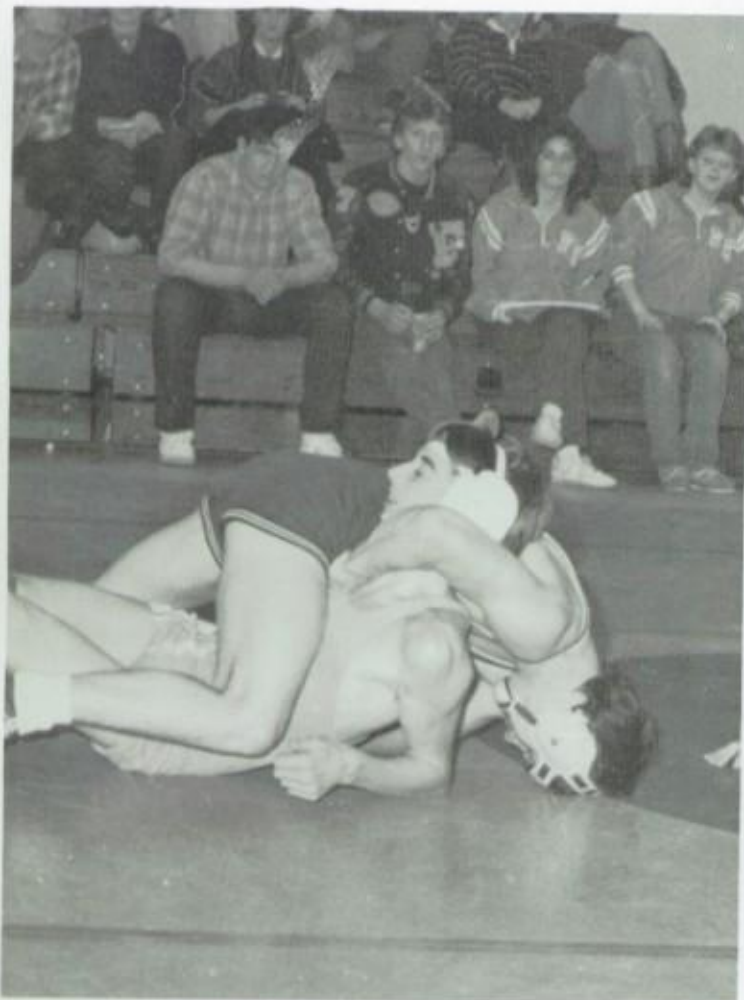

The F.C. grapplers came up with another winning season this year. The team took second in Bi-County, the WRC, and the Sectionals.

Ron Sheldon led the 6-4 Mustangs by advancing to the Semi-State after placing 1st in the Sectionals and 3rd in the regionals. Other outstanding achievements by the Mustangs were the 1st place wins by Steve Abney, Ron Sheldon, Rob Sheldon and Beau Gookins in the Bi-County.

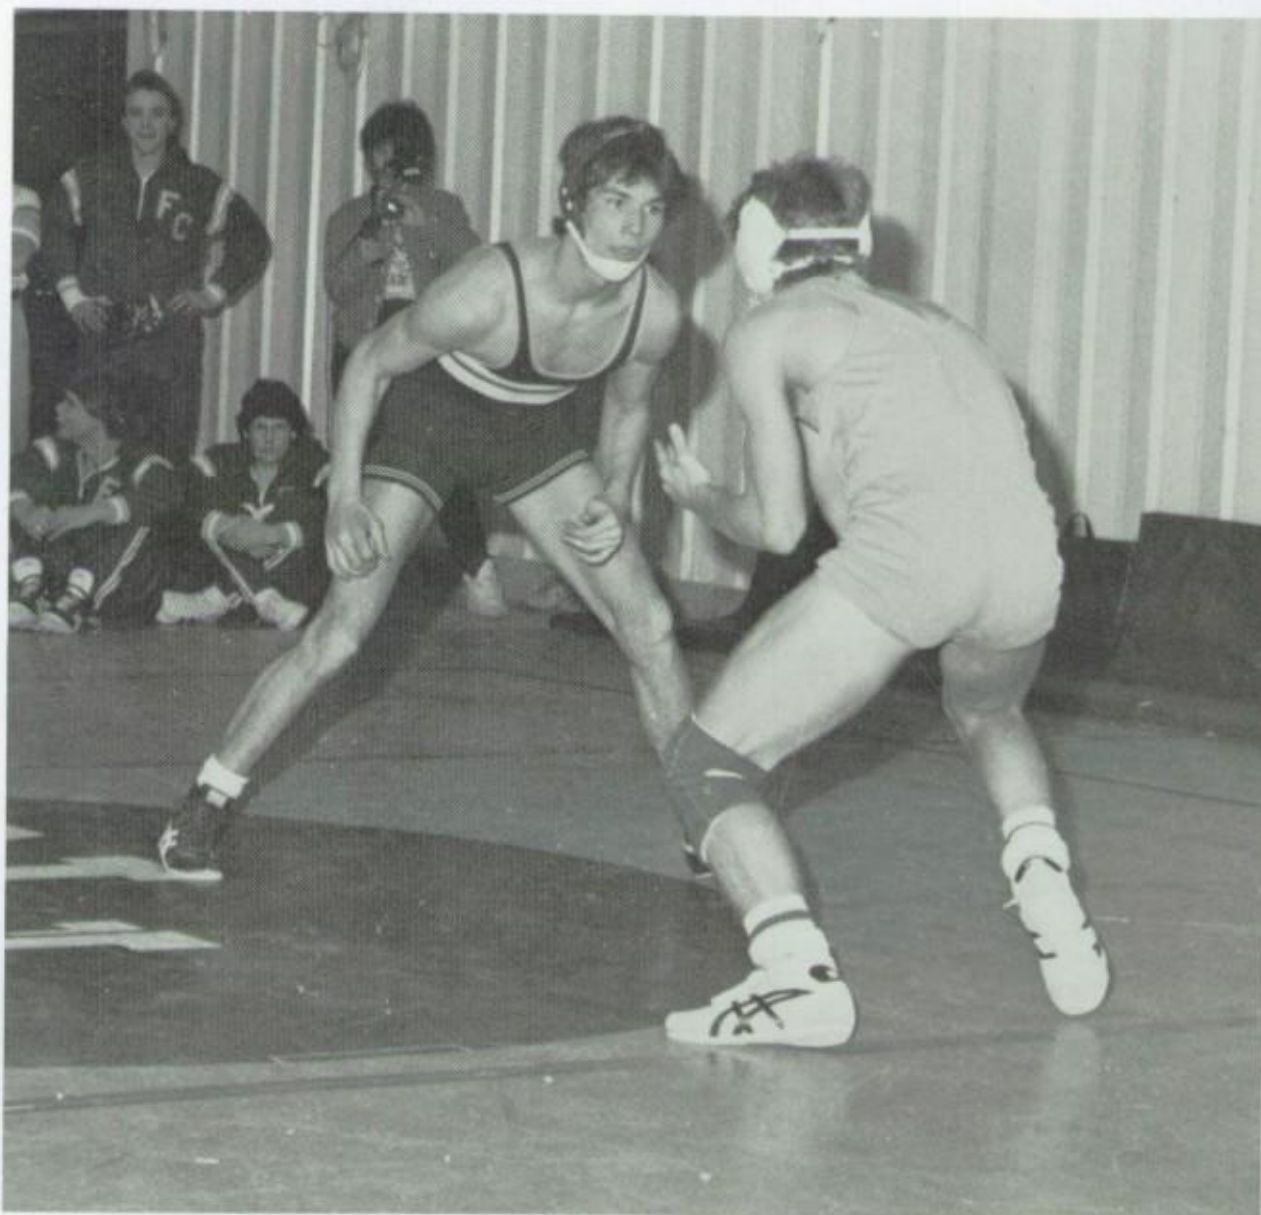

Gary Bishop is working hard for a pinning combination.

Rob Sheldon puts the clamps on his opponent.

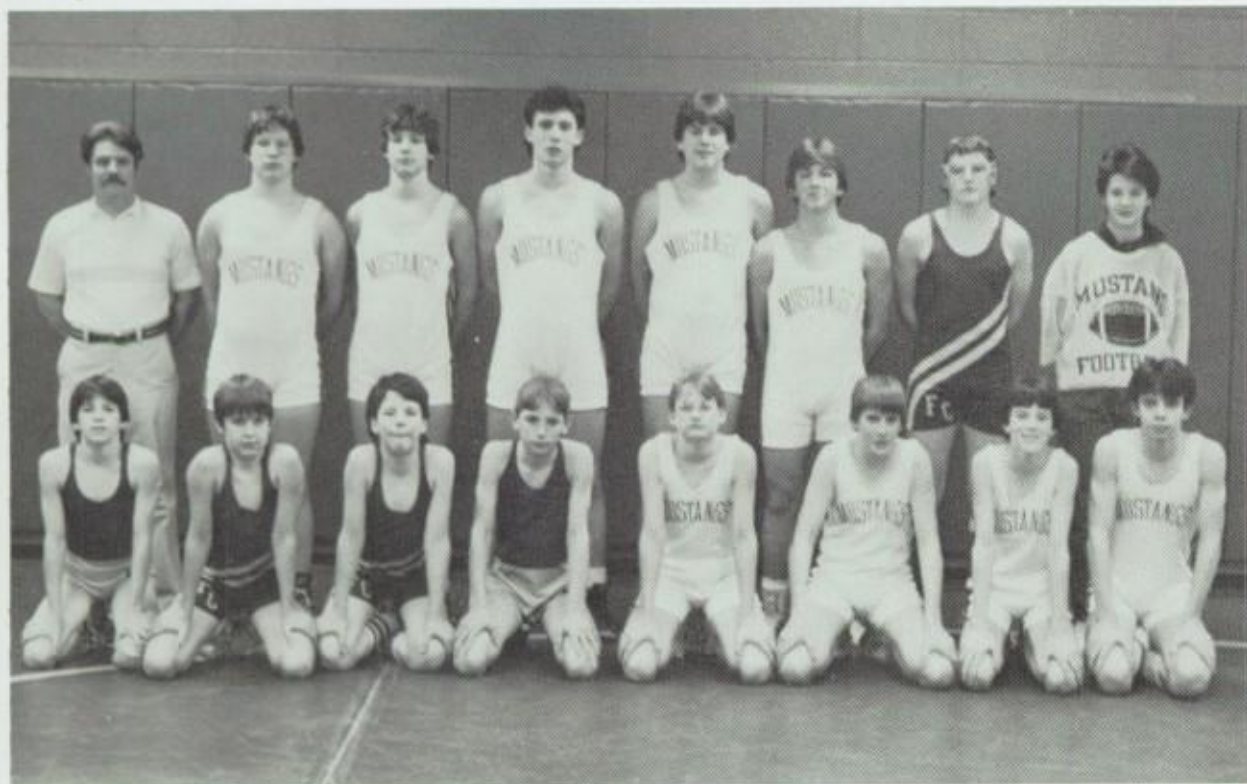

Beau's opponent needs a miracle to get out of this one.

Shoot For Two

The boys' varsity basketball season was a long hard struggle and not indicative of the effort that was put forth; the players worked hard every game and never gave up.

Many young players showed that they could perform well on the court, which means next year's team will be experienced and good things are expected of them.

Winning awards for the Mustangs were: Mark Harvey, most valuable player; Eric Bowman, 110% award; best field goal %, Mark Ward; Jeff Roberts, most assists; Co-captains, Jeff Roberts and Brett Carlson. Senior, Jeff Roberts won the important Mustang Award presented for character, leadership and scholarship.

Success Tastes Sweet

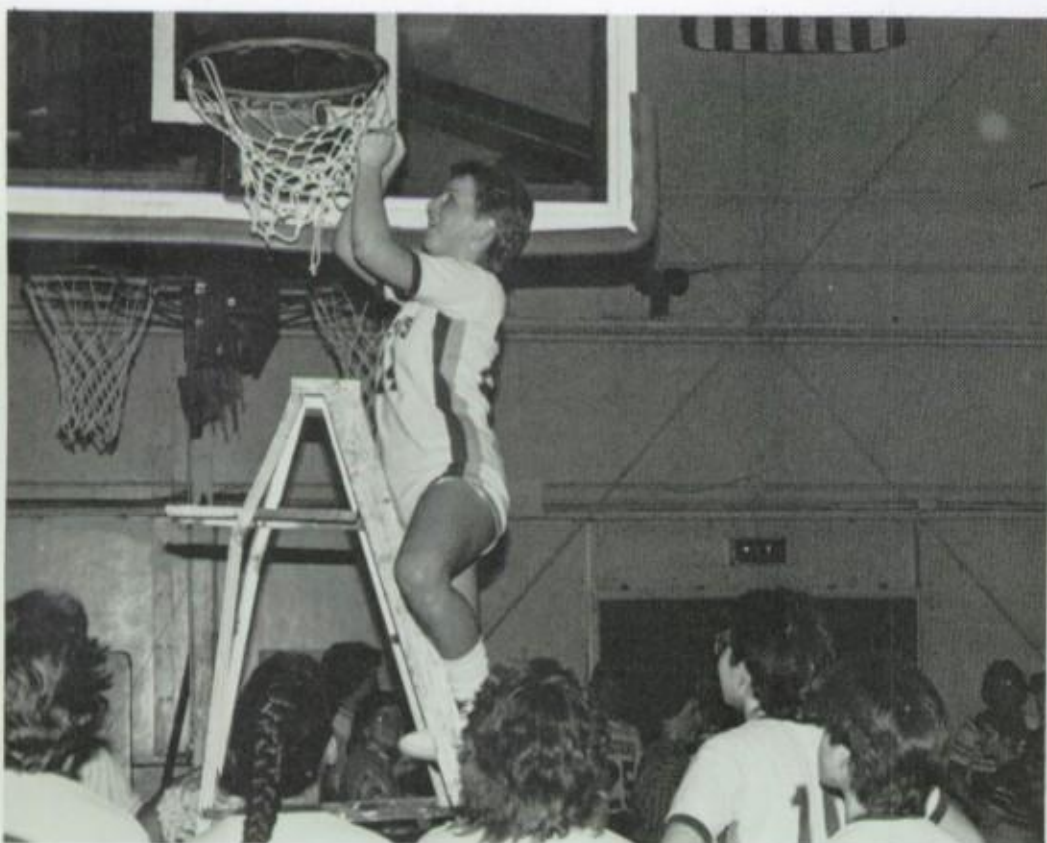

The Girls' Varsity Basketball Team ended its 85-86 season with a 14 and 5 mark. The highlight of the season was capturing the Bi-County Holiday Tourney Title for the first time. Three girls named to the all Bi-County team were Amy Buker, Tracey Lyons, and Trena Lyons. The team also captured the Wabash River Conference title.

Sophomores Tracey and Trena Lyons were named to the All-Conference team. The team's only senior, Lori Hardesty earned the mental attitude award for the year. Lori and Amy Buker were the co-captains for the season.

Tracey Lyons earned the year's Most Valuable Player award. Tracey not only led the Mustangs in scoring, but she was also one of the leading scorers in the state.

In the years since girls have played basketball at F.C., the program has come a long way. Both the seventh and eighth grade teams have had strong participation and the eighth grade squad dominated in the area by winning the Bi-County title.

Carlson Shows Speed

The members of the boys' track team worked very hard and never lost their desire to win. The team experienced some disappointments, but some fine individual efforts were turned in. Under the direction of Coaches Landis and Harlow the team worked on improving their personal goals. The Mustangs placed second in the Bi-County with B. Carlson, T. DePugh, R. Lighty, and K. Priest winning first places. Carlson also broke a Bi-County record in the 200-meter dash. In the Wabash River Conference meet, Carlson was the only first place finisher with winning times in the 100 and 200-meter dashes. In postseason action, F.C. sent five members, S. Tuttle, G. Bishop, B. Carlson, B. Gookins, and K. Priest, to the sectionals. Carlson took a third place in the 200 and qualified for the Regionals.

Hurdling High

The members of the girls' track team set personal goals for themselves and then set out to reach those goals. Many of the girls improved in their own area and from this they gained a sense of personal achievement. Track is the type of sport where each person works as an individual on his own and works as a member of a team. It takes a special type of person to compete in this type of sport, where the cheering of the crowd isn't there.

Several girls qualified for sectionals in 1986. Lisa Hershberger qualified in the 100 meter dash. Teammate Julie Overpeck made it in the 300 low hurdles and the 400 relay team of Lisa Hershberger, Sonja Rice, Julia Pool and Delayne Rusk qualified, also.

F.C. Means Power Hitting

For the first time in seven years, the Fountain Central Baseball team had a winning season. The seniors who led the team were: Jeff Roberts, Steve Abney, Todd Peevler, Rob Brimbury, and Donald Wilson. The leading hitters were Steve Abney, Jeff Roberts, Chuck Walls, and Donald Wilson. Chris Bailey and Eric Bowman were the top pitchers on the team. The players that will be returning next year are Chuck Walls, Darrel Abney, Chris Bailey, Sean Zachery, Eric Bowman, Ryan Lindley, Chuck Brimbury, and Joe Buker. Hopefully they'll help make next year's team ever better than this season's. Coach Stewart's comments on this year's team were, "We were too inconsistent on our defense. When we played the game well we were the best team in the W.R.C. The pitching was much better than we had expected in early March. That reflects the attitude of our pitching staff. Overall our season was successful, but not as successful as we had hoped."

Tennis Anyone??

The tennis season for Fountain Central was a smashing success this year for both the boys and girls' teams. Both teams won the Bi-County tournament and finished the year with outstanding records. The boys had a 9-4 record and the girls boasted a 10-3 record.

Chuck Walls led the boys' team by advancing the farthest in tournament competition. Other boys who placed in the WRC were Greg Keeling and Chad Swingle in doubles and Bryan Thomas in singles. Rob Brimbury finished his senior year of competition with an outstanding record of 11-1.

Both doubles teams of Chad Swingle and Greg Keeling and Chuck Brimbury and Rick Lighty compiled a record of 8-5.

The girls' too, finished the year with a winning record. Marla Fritzen, Karen McKinney, and Trena Lyons were all named to the All Bi-County team and Trena and Tracey Lyons were named to the All Conference Team.

Girls' coach, Sabrina Scales, felt, "the girls did a fine job this season and I see a lot of potential at the J.V. level."

Not only were both teams successful, but the boys' coach, Phil Rash marked the season by capturing his 100 career victory at Fountain Central.

The golf team at Fountain Central had much to be proud of in the spring of 1986. For the first time ever it captured the Bi-County Title. The significance of this accomplishment is dramatized by the fact that the team is very young and should do quite well for seasons to come.

Travis Richey, a freshmen, brought honor to himself during the season when he turned in the lowest score ever to be held by a Fountain Central player. He scored a 35, which is par for the course, at Sky Valley, the school's home course. Good job Travis and team. We are proud of you.

R. Brown hopes to take a divet out of S. Starkey's face.

Victory Is Our Cry

Cheerleading styles have changed over the years, but one thing will never die, Spirit! Fountain Central cheerleaders are dedicated to maintaining the school spirit. Besides cheering at ballgames the J.V. and Varsity cheerleaders have many other responsibilities; making signs, sacking candy for the players, and planning pep sessions are just a few. Cheerleaders also work hard throughout the summer attending camp and various contests. Cheerleading is a lot of hard work but supporting your school is a rewarding experience.

The seventh, eighth, and ninth grade cheerleaders are J.C.'s future Varsity. They work hard supporting their own team along with being members of the pep block to cheer for F.C.'s Varsity. The seventh and eighth grade cheerleaders had the thrill of backing their teams to Bi-County victories. The accomplishment of both junior high teams winning Bi-County titles in the same year had never before been achieved at Fountain Central.

F.C. spirit, long may it wave.

Oh Promise Me

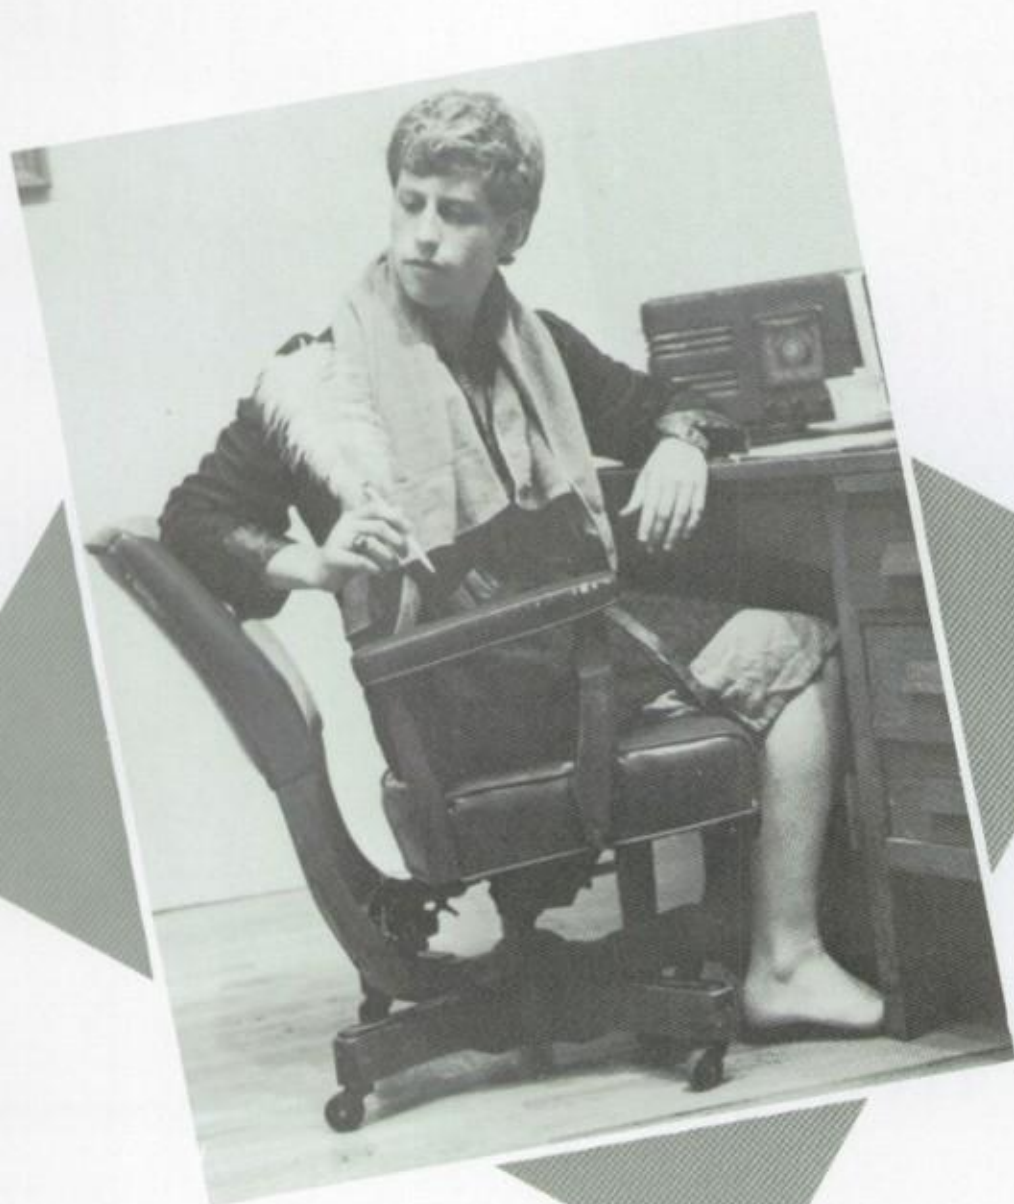

The Fountain Central Drama Department performed *Oh Promise Me* for their second presentation of the school year.

The story was about a young eccentric millionaire, Barry Hollis, whose irrepressible pranks had won him the reputation of being one of the nation's leading playboys.

Barry was returning home after graduation from Princeton, when he met a beautiful girl, Gladys Vance on a train.

it was love at first sight, but there was a small problem. It was his other girlfriend, Patsie. Barry decided to send Patsie a letter calling off the relationship, but the letter was sent to Gladys instead.

During the rest of the evening playgoers watched Barry perform a series of antics getting himself out of the situation.

S. Starkey played the role of a millionaire playboy.

C. Beasley was out to marry a millionaire, with the help of her mother, K. Flint.

J. Lewsader and L. Colson enact a father-daughter conversation.

"I know I told you I would love you forever; but forever isn't as long as it used to be."

A Night To Remember

Prom 1986

Our first prom was held here in the gym.

The theme of the 1986 Prom was "The Night To Remember." Last year's King Mark Fritzen crowned the 1986 queen Karen McKinney while the 1985 queen Lisa Keeling crowned the 1986 King Jeff Roberts. Mark Harvey and Laura Rogers reigned as Prince and Princess. The junior class's colors Midnight Blue and silver made the Beef House banquet hall more exciting. The D.J. Kevin Brier helped to create a romantic and enchanting mood. Couples danced the night away while listening to the theme song "The Night To Remember," by Loverboy. At 12:00 everyone was getting ready to go to the afterprom at Fountain Central put on by the parents with much hard work and effort.

"This dance is dedicated to the Royal Couple."

I Love Them That Love Me; And

Those That Seek Me Early Shall Find Me.

Proverbs 8:17

Christine Lynn
Mackiewicz
1969-1986

Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay

Robert Frost
